

The Summary of Changes chart included below lists areas of the Manual that were modified from that version's prior publication and includes the following information:

- Manual Specification Name or Document Name
- Section Number
- Record Name (if applicable)
- Field Number (if applicable)
- Field Name or Item Name (if applicable)
- Reason for the Update

The number of actual new data elements added to this publication is very limited and those elements are identified in the chart below as "Added New Field" in the Reason for Update column.

In addition to providing a list of the changes, this update makes use of the "Track Changes" feature so the reader can follow along within the WCIO Workers Compensation Data Specifications Manuals.
